Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

The undersigned **contractor-retailer** certifies that the tangible personal property purchased from:

Seller: _____
Business Name

Address: _____
Street, RR, or P. O. Box City State Zip + 4

is exempt from Kansas sales and compensating use tax for the following reason:

K.S.A. 79-3603(l)(2) provides that a contractor, subcontractor or repairman who maintains an inventory of tangible personal property both for resale and for use by them for the purpose of erecting structures, or improving altering or repairing real or personal property, shall be deemed a retailer with respect to purchases for and sales from such inventory.

Description of tangible personal property or services purchased: _____

I hereby certify that I hold a valid Kansas Sales Tax Registration Number: _____, and that

I am in the business of selling: _____, and that the location of my retail outlet is:

_____. The undersigned understands and agrees that if the tangible personal property or services are used other than as stated above or for any other purpose that is not exempt from Kansas sales or compensating tax, the undersigned purchaser becomes liable for the tax.

Purchaser: _____
Business Name

Address: _____
Street, RR, or P. O. Box City State Zip + 4

Authorized Signature: _____ Date: _____

THIS CERTIFICATE MUST BE COMPLETED IN ITS ENTIRETY

WHO MAY USE THIS EXEMPTION? Only those contractors, subcontractors, or repairmen who maintain an inventory of merchandise for the purpose of making retail sales to the public may use this exemption certificate. A retail sale is a sale that **does not** include installing the item purchased. A contractor, subcontractor, or repairman who purchases materials for installation on a job-by-job basis and who does not maintain an inventory for the purpose of making retail sales is not a contractor-retailer, but is a **contractor**. **A contractor may not use this certificate.** A contractor is considered to be the final consumer of the materials purchased from a supplier for a job and, therefore, must pay sales tax on them when purchased. For more detailed information on how sales tax applies to the construction industry, consult Information Guide EDU-26, *Sales Tax Guidelines for Contractors and Contractor-Retailers*, which is available from our web site: www.ksrevenue.org

WHAT PURCHASES ARE EXEMPT? Only merchandise of the type that the contractor-retailer holds in its resale inventory may be purchased tax exempt with this certificate. Materials and supplies that may be purchased using this certificate include (but are not limited to): electrical supplies, lumber, nails, paints, plumbing supplies, screws, sheet rock, stains, varnishes, and wallpaper.

WHAT PURCHASES ARE TAXABLE? Tools and equipment necessary to perform a job (often considered overhead items) are **TAXABLE**. Contractors and contractor-retailers are the final users or consumers of any tools used in their trade or business and must pay sales tax on them when purchased. (If purchased from another state, a Kansas compensating use tax will be due if a sales tax equal to at least the state and local sales tax rate in effect where the item will be used, stored or consumed has not been paid on the purchase price). For additional information download Publication KS-1510, *Sales and Compensating Use Tax*, from the department's web site. Items such as drills, drill bits, hammers, nail guns, saws, screwdrivers, tool belts and wrenches are taxable. Tools and construction equipment leased or rented for a job are also taxable to the contractor or contractor-retailer unless the customer has furnished a Project Exemption Certificate.

LABOR SERVICES. This certificate applies ONLY to items of tangible personal property. Taxable labor services performed by a contractor, subcontractor or a contractor-retailer can only be purchased exempt from sales tax with a Project Exemption Certificate issued by the department or its authorized agent.

RETAINING THIS CERTIFICATE. Sellers should retain a completed copy of this certificate in their records for at least three years from the date of sale. A seller is relieved of liability for the tax if it obtains a completed exemption certificate from a purchaser with which the seller has a recurring business relationship. A certificate need not be renewed or updated when there is a recurring business relationship between the buyer and seller. A recurring business relationship exists when a period of no more than 12 months elapses between sales transactions.

Certificate of Insurance Requirements

Please provide a current Certificate of Insurance with minimum limits of [\$1,000,000 occurrence / \$2,000,000 aggregate], motor vehicle liability [\$1,000,000], and workers compensation, including employer's liability. Building Controls and Services, Inc. must be named as an additional insured on the Certificate of Insurance for general liability, and if possible, auto liability.
